

## **COOKIE POLICY**

We use cookies and similar tools across our website to improve their performance and enhance your user experience. This policy explains how we do that.

### **1. POLICY OVERVIEW**

This policy describes the cookies we use on this site and what we use them for. Currently we operate an 'implied consent' policy which means that we assume you are happy with this usage. If you are not happy, then you should either not use this site, or you should delete our cookies having visited the site, or you should browse the site using your browser's anonymous usage setting (called "Incognito" in Chrome, "InPrivate" for Edge, "Private Browsing" in Firefox and Safari etc.)

If you do not know what cookies are, or how to control or delete them, you may wish to visit [www.aboutcookies.org](http://www.aboutcookies.org) which contains comprehensive information on how to do this on a wide variety of browsers. You will also find details on how to delete cookies from your computer as well as more general information about cookies. For information on how to do this on the browser of your smartphone you will need to refer to your smartphone manual. Any changes to this policy will be posted here.

We reserve the right to vary this Cookie Policy from time to time and such changes shall become effective as soon as they are posted.

### **2. INFORMATION WE COLLECT**

#### **Persistent Cookies for Site Analytics and Performance**

We use WIX Analytics to analyse site usage, how our users arrive at our site, what they do on the site, what browser they are using and on what operating system etc. However, this analytics data, collected via a JavaScript tag in the pages of our site, is not tied to personally identifiable information and all data collected is anonymous.

#### **Session Cookies**

We use session cookies on this website to generate useful information regarding the usability of our site. This cookie is removed at the end of your browsing session and does not record any personal data of the user. You can adjust your session cookies through the settings feature of your browser.

#### **Cookies set by Third-party sites**

On some of the pages of the site you will see Social Media buttons. These enable users to visit our Facebook, Twitter and LinkedIn sub-sites. In order to implement these buttons and connect them to the relevant external Social Media sites, there are scripts from domains outside of R3. You should be aware that these sites will be collecting information about what you are doing on the Internet, including on our site. So, if you click on any of these buttons, these sites will be registering that action and may use that information. In some cases, these sites will be registering the fact that you are visiting R3, and the specific pages you are on, even if you do not click on the button if you are logged into their services, like Facebook and Twitter. You should check the respective policies of each of these sites to see how exactly they use your information and to find out how to opt out, or delete, such information. We sometimes use external web services on our site, mostly to display content within our web pages. For example, to show videos. As with the Social Media buttons we cannot prevent these sites, or external domains, from collecting information on your usage of this embedded content. If you are not logged in to these external services then they will not know who you are, but are likely to gather anonymous usage information e.g., number of views, plays, loads etc.

### **3. FURTHER INFORMATION**

further information on how we use cookies please feel free to contact us. To do this please visit the 'Contact Us' section of our website.
